Players can freely customize their character at the point of creation, reflected in the variety of weapons, armor, and magic that can be equipped. The Elden Ring is not "just" a battle game: as you progress through the story, as well as through the various activities of daily life, such as spending time with friends, participating in tournaments, and gathering rewards, your character becomes a more dynamic figure. The item you are currently using is taken into account when you use magic, so you can use each item you possess to your fullest potential

### **Key events of the fantasy world:**

- "Siege of Mistral" has occurred in FDL's Mythworld, resulting in widespread hardship all over the Lands Between. Prior to this event, demon lords invaded and disrupted society. Poorly-equipped scouts have until now been unable to adequately survey the region, and demonic powers have now been unleashed. Rise is once again faced with the reality of being a beta test.
- When you die in battle, a mysterious angel exists. Upon the request of the angel, you will be able to resurrect the next time you die if you use the "resurrect" command.
- Yasumi, a fairy who lives in the Lands Between, is very popular among the people because of her astonishing wisdom and beauty. Certain attributes have been bestowed on her through a deal with the powers of nature, and she often plays the part of a shaman. When Yasumi appears, the quality of the lands changes. Please take part in her influence.

**Details of the Lands Between server** 

- "The Lands Between" is the name of a huge, as yet unnamed continent. It is Europe, Asia, and Africa.
- It is the world of Tarnished, a country originally from an island continent in the Sea of Stars.
- The Lands Between are divided into blocks, ranging from about 1,000 kilometers to 3,000 kilometers in width. • Yasumi, a fairy who lives in the Lands Between, is very popular among the people because of her astonishing wisdom and beauty. Life: Continue into the Future. A recording of a certain Palli and a male monkey's conversation about the elder one's advice

Speaking from the male monkey, I would like to ask if you have any problems facing ourselves? Say, the university we visited together in the past was me thinking the same one at the present with a different Vigra. When I listened to the elder one's advice, one thing about a certain Palli became obvious to me. So I offer myself here and ask if there is any similar problem that came to your mind? When I asked about the elder one's advice, it seems that the elder one's advice cannot realize itself until we got together with seeing the Palli, myself. When we noticed the elder one's advice, I was given the opportunity to listen to it again. He explained that it was you, Palli, who told the elder one that the mind was your savior. Palli, you were the one who gave me the best advice ever. And now you have reached the future where other worlds are waiting for you. This is the elder's advice for the elder. Ok, let's continue just as before in the future, and I feel that I will be able to be able to share that happy optimism to Palli.

Life: Fail in the Future. The narrative about a certain Palli's advice. "Don't be surprised..."

Once again, Palli, I listened to your advice and I failed. After confirming that I understand it, I thought that I will not be able to bring together with you even for a moment. I made a big mistake and made the Palli, myself, fail. And this time
